

JEWELRY CLASSES
WIRE AND SHEET WORK – BEGINNER COURSE

Which designs are included in the beginner course?

12 Projects (2 bracelets, 8 pairs of earrings and 2 necklaces)

All in Sterling Silver or Copper

All with Semi-Precious Gemstones/Swarovski® Crystals

10 workshop hours for the entire beginner course

Take home 12 beautiful pieces of jewelry

What is included in the price?

We provide all of the tools and materials needed to create exquisite jewelry sets that you can wear with pride. Included in the course fee are a full set of jewelry pliers and a jump ring opener (all of which are provided for your use during the course) AND all copper/sterling silver clasps (for bracelets and necklaces), surgical steel/sterling silver ear posts (for earrings) and all copper/sterling silver jump rings required for each design. Also included are all Swarovski® crystals and precious gem stones (both in a variety of colours) required for each design.

What are the payment options?

You have the option of enrolling for the entire beginner wire/sheet course, which includes twelve pieces of jewelry or for individual pieces within the course.

What are the prices for full courses and for individual designs?

You have two options with each design – either copper or sterling silver. Below you will find the prices and payment breakdown for each design in each medium. All prices are in Euros.
